Hi, Dancers:

Like last year's "At the Library" books, once again we will all contribute to the CPDW display window with a project that connects with our School Performance theme, "Our Amazing Planet."

Each student is asked to decorate a globe for each of their classes. Please **cut out your globe**, then decorate it. You may use any medium – paint, markers, crayons, fabric, beads, glitter, you name it. In April, each class will be represented in the window with their globes.

Decorated books are due no later than Saturday, April 11th. Please put your name, class, and your specific Library book or concept on the back of your globe. Be creative!
