Hi, Dancers:

You've all probably heard of Flat Stanley and his travels. Well now it is time for CPDW's Flat Dancer project.

Each student is asked to decorate a dancer for each of their classes. You may use any medium – paint, markers, crayons, fabric, beads, glitter, you name it. Bonus points for connecting your dancer to your city (for example, red, white, and blue for Washington, DC).

While our dancers won't actually get to visit exotic places, in April our decorated dancers will be placed in CPDW's display window along with a picture of their city to help promote CPDW's school performance, "City Beats."

Decorated dancers are due no later than Saturday, April 2nd. Please put your name, class, and city on the back of your dancer. Be creative!
